The Excise Co exceeded his powers unnecessarily by anticipating the orders of Govt. The action should be disapproved by telegram. I think - Council have disapproved of the system altogether - Worthington 23/3/11

I thought that Government interests would not suffer by this arrangt - a proper rental will be secured and a trial given to the scheme about the result of which however I am not at all hopeful. The Excise Commr certainly exceeded his powers in anticipating the sanction of Govt. If the Dewan thinks that the proposal should be disallowed I shall withdraw my objection

OFFICE OF THE EXCISE COMMISSIONER IN MYSORE,

Bangalore, dated...8th March.....19 11

From

Excise Commissioner in Mysore.

To

C.S. Balasundaram Iyer, Esq., B.A.,

Offg: *Secretary to the Government of*
His Highness the Maharaja of Mysore,
General and Revenue Departments.

SIR,

In continuation of my communication on the subject of conserving date groves to the care of renters of shops to which they may be assigned, I have the honor to state that on an offer made by Messrs. Thimmiah and Nettkallappa to take up the marginally noted toddy shops for the current year's rental, I have accepted their tender for 1911-1912 on condition that they show material improvement in the up-keep of the groves assigned to those shops and intimated the same to the Deputy Commissioners concerned.

The present move, I have no doubt, may seem a novel one. But in the interest of the State toddy Revenue the deterioration of the source of supply has to be particularly guarded against - and

and some attempt in this direction appears therefore necessary if the permanency of the revenue under this head should be counted - upon. I have accordingly taken this step as an experimental --- measure which entails neither risk nor loss but on the other hand ensures the realization of the current year's rental which it may not be possible to secure at the next sales.

I have chosen the Bangalore City shops for this purpose as being now worked by the tenderers satisfactorily and assigned an extensive grove near Dodkurgode of the Goribidnur taluk. The improvement required to be done to the grove c ervised - personally from time to time and an advantageous programme work- -ed out for this purpose being easily accessible by rail from Bangalore. I will be in a position to recommend the above scheme to be extended or otherwise elsewhere in the Province.

Under the above circumstances I beg that Government may be pleased to accord their early approval of the measure as the result of this experiment will doubtless throw much light on the proposal of the fixed fee system combined with the plan for the conservation of date groves.

I may bring to the notice of Government that the applicants constitute a reliable firm which may be expected to carry out the object intended

I have the honor to be,
Sir,
Your most obedient servant.
